Investing for Success

Under this agreement for 2020
Mango Hill State Secondary College will receive

$123,000*

This funding will be used to

- Improve student academic achievement (as measured by A-C results in English, Maths and Science) from baseline data.
- Improve student literacy and numeracy skills across all learning areas; 100% of Year 7 students at or above NMS (National Minimum Standard) in Numeracy, 97% Reading, 90% Writing, 98% Spelling, 98% Grammar & Punctuation; 45% students in Bands 8 or 9 for Reading, 15% Writing, 35% Spelling, 45% Grammar & Punctuation.
- All students demonstrate growth in Reading and Numeracy across the Year (as measured by PAT-R/PAT-M scale scores).

Our initiatives include

- Increase teacher understanding and capacity to deliver the Australian Curriculum with fidelity, including involvement in quality assurance and moderation processes, to improve student learning outcomes.
- Improve service delivery to students in classrooms to support learners with diverse needs.
- Increase teacher knowledge of, and capacity to, deliver a range of learning experiences through the college pedagogical framework.
- Development of support programs and resources to improve literacy and numeracy skills for all students.
- Invest in resources to support students and teachers to improve student outcomes by leveraging digital technologies and devices within all learning environments.
- Development and implementation of a college collaboration plan that supports intentional collaboration (collegial engagement, case management meetings, moderation cycles) at all levels of the organisation.

Our school will improve student outcomes by

- Teacher professional development and intentional collaboration to increase understanding of the Australian Curriculum and the cycle of moderation; college pedagogical framework; case management meetings; and collegial engagement activities - $60 000
- Additional teacher aide hours for classroom support - $38 000
- Research and implement a reading program to improve student reading levels - $10 000
- Additional resources to support teachers and students to leverage digital technologies within classrooms - $15 000
